

Sunis & Thermo Sunis Indoor WireFree™ RTS Sun Sensors

Automatic
Sun Control

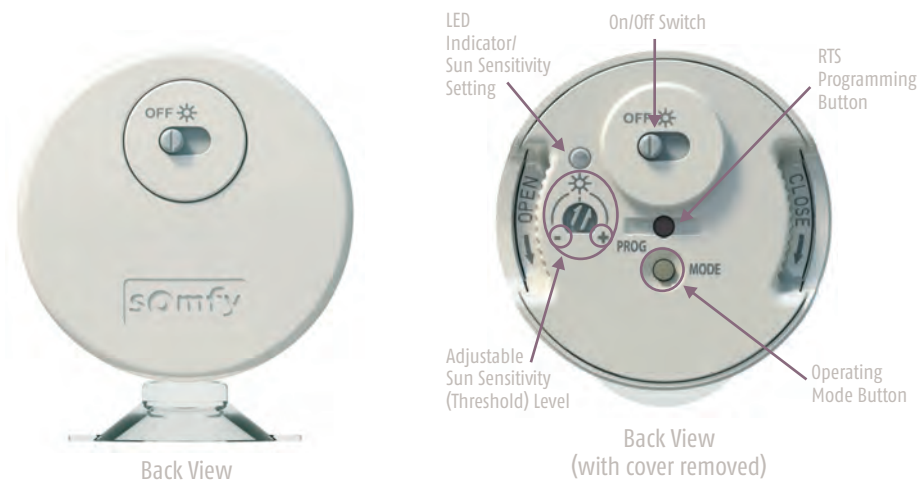

HOME
MOTION BY

The latest additions to the Radio Technology Somfy® (RTS) accessory range use the intensity of the sun to provide automatic control of window coverings in the home.

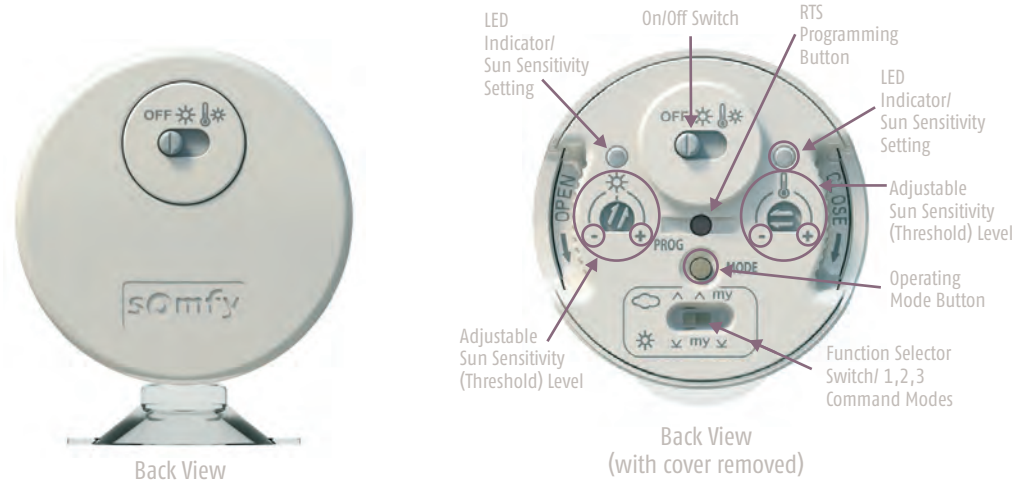

Sunis Indoor WireFree™ RTS Sun Sensor

Part # 9013707

Thermo Sunis Indoor WireFree™ RTS Sun Sensor

Part # 9013708

Sunis Indoor WireFree™ RTS Sun Sensor

As sunlight levels decrease, the Sunis Indoor WireFree™ RTS light sensor automatically adjusts window coverings to the “up” or “my” position in accordance to the user’s programmed sunlight threshold settings.

Sunis Indoor WireFree™ RTS Sun Sensor

As sunlight enters the room, the Sunis Indoor WireFree™ RTS light sensor automatically adjusts window coverings to the “down” or “my” position in accordance to the user’s programmed sunlight threshold settings.

Thermo Sunis Indoor WireFree™ RTS Sun Sensor

The ThermoSunis Indoor WireFree™ RTS sun sensor will automatically adjust window coverings to the “up” position in accordance to sunlight sensitivity or sunlight and room temperature threshold settings, depending on which option has been selected.

Thermo Sunis Indoor WireFree™ RTS Sun Sensor

The ThermoSunis Indoor WireFree™ RTS sun sensor will automatically adjust window coverings to the “down” position in accordance to sunlight sensitivity or sunlight and room temperature threshold settings, depending on which option has been selected.

NOTE: When sunlight & temperature sensitivity setting is selected on the ThermoSunis, the temperature threshold settings will take priority over the sunlight threshold.

With the Sunis & Thermo Sunis Indoor WireFree™ RTS Sun Sensors users experience:

- **Thermal Comfort:** optimizes room temperature levels
- **Protection of Interior Decor:** preserves the life of valuable furnishings by reducing damage caused by UV rays
- **Energy Savings:** protects against heat gain and heat loss
- **Increased Security:** creates a “lived-in-look”

FLEXIBLE INSTALLATION

Radio Technology Somfy® (RTS)
Revolutionizing home comfort control

The standard for speed and ease of installation, with over 3 million installations throughout the world.

Sunis and Thermo Sunis Indoor WireFree™ RTS sensors can be installed and programmed in a few seconds. They can easily be added to any new or existing RTS installation. The sensors are compatible with all interior RTS motorized window coverings.

Mounts directly to window glass

Mounts directly to window sill
