

Since 1880 SUNAIR® has been protecting you from the sun and rain.

Now, we offer you the opportunity and the satisfaction of creating something unique.

A reflection of your personal style.

Louvered Pergolas are custom designed to fit your space, freestanding or wall mounted. Adjustable or retractable louvers, perimeter gutters, and optional side screens, or glass.

The square or rectangle modular design enables joining units to cover expansive spaces. Elegant refined design, providing functional outdoor space throughout the year.

MODULAR LOUVERED
PERGOLAS®
For Your Home or Business

www.sunairawnings.com

The modular louvered Pergola® systems are an ideal blend of design, technology and natural comfort. A practical and aesthetical use of space, enhancing your outdoor experience in all seasons. Manufactured using durable powder coated aluminum extrusions to protect in most climates and weather conditions.

The louvered pergolas are perfect for small or larger recreational spaces, including restaurant cafes, hotels, and residential backyard patios. The louvered pergolas are available in two louver model options; fixed, rotating 140-degree or retractable stacking louvers. The pergola space can be easily enclosed to add additional comfort using integrated motorized drop-down screens, fabric with windows, or sliding glass panels. The perimeter gutter and down-spout design channels water away for a comfortable relaxing environment even in inclement weather. Optional RGB perimeter LED lighting and louver inset spot lights will warmly light up any dining or entertaining event on your schedule.
